## World-Renowned Artist Robert Michaels Launches a New Album CD of Holiday Classics

**Juno-award winner** artist Robert Michaels, is pleased to announce the launch of his new CD album titled *"Holiday Classics."* The new album will feature instrumental holiday tracks of guitar and orchestra. Every arrangement and orchestration is written by Robert Michaels.

As an esteemed platinum recording artist, Robert has earned the reverence of critics around the world along with his excellent live performances, bringing his audiences to their feet every time. His instrumental music crosses over into tastes and samples from different genres. This includes Latin, World, Jazz, flamenco and pop.

He began his musical career in Canada, even though his parents aren't natives of the country, but immigrated there from Italy. Robert grew up on a diverse musical regimen, which was inspired by a plethora of various forms of musicians and styles along the way, such as Wes Montgomery, Carlos Santana, Jimmy Page, and everything from jazz, to tango and rock.

In 1996, Michaels finished and released a debut album titled *"Paradiso,"* that went platinum on his independent label Melaby Music inc.. It was later followed by another recording, *"Arizona."* Which reached gold status and gained Robert a nomination for a sought-after Juno Award. Robert's album *"Allegro"* brought home a Juno award for the Best Instrumental Artist of the Year. The time when Michaels decided to release his third album, *"Utopia."* He did so under the major label Warner Music Canada.

One of his songs, *"Wrong to Let You Go,"* was a co-write collaboration along with the band the Wild Strawberries. The song reached the top 15 on the Canadian Adult Contemporary charts and top 5 in Europe as a dance remix by the DJ ABT.

*"Over the years, I've had experience playing so many other styles that I merely incorporated all of the influences,"* notes Robert. *"My style was never planned. I arrived at it spontaneously while playing in front of audiences."*

For this upcoming holiday season, Michaels will be launching a newly anticipated album filled with Christmas music. The holiday offering is titled *"Guitar & Orchestra Holiday Classics from Robert Michaels."*

What you will find on the new CD album from Robert Michaels include:
